Inorganic and Organic Custom Standards

Tired of Mixing Your Own Standards? Let SPEX CertiPrep Save You Valuable Time!

SPEX CertiPrep offers Custom Certified Reference Materials (CRMs) because we realize that no two laboratories face exactly the same samples or have precisely the same requirements. With SPEX CertiPrep's custom CRM program, you can create custom standards to meet your specific laboratory needs. Our specialists will be happy to discuss combination of analytes, concentrations and preferred matrices with you. Our chemists will then design the most compatible, stable mixture using our comprehensive supply of starting materials and certified solutions.
